## Ways to PAY with Your HealthEquity® HSA

### 1. Convenient HealthEquity® Visa® Health Account Card†

The debit card can generally be used at merchants that provide medical, dental or vision services. For example, doctors offices and pharmacies. The debit card cannot be used at ATMs.

### 2. PayChoice® Payment Tool

Pay providers directly with our easy-to-use online PayChoice tool. Wait until network discounts are applied to your bill, and then pay providers electronically.

- **Reimburse Yourself**
  
  If you used a personal account to pay for qualified expenses, easily reimburse yourself online via your member portal or call member services to transfer funds from your HSA to your bank account.

- **Scheduled Payments**
  
  Schedule automatic payments to a provider when you make payment arrangements. Divide payments equally over several months or set-up specific amounts and dates to coincide with HSA contributions.

- **Free Provider Payment**
  
  Pay a provider by requesting a check online via your member portal or by calling member services 24/7/365. HealthEquity will draft the check from your HSA and mail it for you—all for free.
