

# FORM 5498-SA INFORMATION AND FAQs

Form 5498-SA reports regular and rollover contributions on health savings accounts (HSAs), Archer medical savings accounts (MSAs), and Medicare Advantage MSAs (MA MSAs) as well as the fair market value of an HSA, Archer MSA, or MA MSA at the end of 2013.

Form 5498-SA is for informational purposes only; you don't need to file it with your tax return.\*

The W-2 you receive from your employer in January should match Form 5498-SA unless you made contributions outside of your employer or between Jan. 1, 2014, and Apr. 15, 2014, for the 2013 tax year. (Note: only employer contributions and contributions made as pre-tax payroll deductions will show on your W-2 [in Box 12]. After-tax contributions won't appear on your W-2, but will be reflected on Form 5498-SA.)
