

# HealthEquity's guide to HSA tax forms

## Form 1099-SA

HealthEquity will send you a Form 1099-SA if you had any distributions from your HSA in 2016. Enter the distributions<sup>1</sup> shown in Box 1 of Form 1099-SA on Line 14a of Form 8889.

## Form W-2

Box 12 of your W-2 shows your HSA contributions made by pre-tax payroll deduction, if applicable, and by your employer (labeled "employer contributions" and marked with code "W"). Enter the amount from Box 12 on your W-2 on line 9 on Form 8889.

- If your HSA payroll deductions were taken pre-tax, they're considered "employer contributions" and shown in Box 12 on your W-2. You cannot claim pre-tax payroll deductions as a deduction on line 13 on Form 8889.

If you made any after-tax contributions to your HSA in 2016, enter this amount on line 2 on Form 8889. Note: After-tax contributions will not appear on your W-2. You may be able to claim a deduction for these contributions on line 13. See instructions for Form 8889 for more information.

## Form 8889

File Form 8889 with your tax return to report your HSA contributions and distributions. Completing Form 8889 requires information from your 1099-SA and information from your W-2. Some of this information includes:

- Annual distributions
- Pre-tax contributions made by you or your employer

Your annual and/or monthly statements from HealthEquity will note contributions outside of pre-tax contributions through your employer and are available through your member portal.
